Please comment on how the faculty member might improve the teaching and learning in this course.

1.	Please don't set the final exams too difficult please.
2.	The studios feel like a pointless addition to the class and there are no provided opportunities to review before the tests.
3.	Format of the midterms keep changing compared to the previous ones, which can be confusing
4.	Nothing much to improve. Keep it up!
5.	Please consider demonstrating how to tackle slightly more challenging problems as I feel that the examples demonstrated was too elementary when comparing it to the actual assessments. :(
6.	Could provide some practice questions along with each week's LAMS videos to ensure students' understanding.
7.	maybe he can give more elaborate examples to aid in the understanding of more difficult concepts
8.	Very good
9.	GOOD
10.	Can introduce more challenge and intrigues, encourage competence and deep insights.
11.	Review lectures could just be him going through course content
12.	nothing
13.	Certain questions in the homework's are quite difficult and doesn't reflect what we learnt through NTU Learn, which can be a shock sometimes due to the complex concepts involved.
14.	Nil
15.	nil
