Please comment on this faculty member's strengths

1.	Well explained modules and well planned
2.	He is very hilarious and funny fella. He is also very helpful and attentive to students' requests. His lectures are very easy to follow and the concepts highlighted are crystal clear such that I understand what is going on. Thank you for making this module fun!
3.	engaging
4.	Entertaining yet informative lecture, got me passionate about the subject. Hopefully he can continue teaching the rest of the LAMS.
5.	Very clear explanations of key concepts, both in his lecture of the topic and the review lectures conducted. Would also eagerly answer every question, no matter how simple it is. Shows that he is very accepting of any queries and willing to help everyone improve. Also provided avenues for questions, such as telegram and email, and of course in person. Gave students alternatives for makeup lectures when lectures fall on a holiday.
6.	He should teach tutorial too!! I feel that he teaches really well and made the concepts taught in the LAMS a lot easier to understand. BEST PROF EVER!
7.	He is really engaging with his lectures and the slides given are to the point(helps during revision). Always got immediate replies when emailed him my queries about the mod. REALLY ENJOYED DM :)

8.	Very responsive to students' feedbacks and questions, explains concepts in a very clear and simple manner
9.	He explains the concept well, easy to understand.
10.	-very good speaking skills -very engaging
11.	Teaches enthusiastically and readily engages students
12.	I think he's great. Very good at teaching. Makes complicated concepts simple, straightforward, and easy to understand. I like him, and I hope that he'll teach me again in the coming semesters.
13.	Excellent
14.	Gary was approachable and explained concepts very well
15.	I like the usage of Wooclap
16.	1. Gives students ample time to digest information and study for CAs 2. Clear in his teaching
17.	Was very fluent in conveying his points so that the students are able to understand the topic

Please comment on how the faculty member might improve the teaching and learning in this course.

1.	Upload summaries of the key concepts or difficult questions onto ntu learn. Other than that, superb effort and work. Would want him as my prof again.
2.	None
3.	- could tutor more classes
4.	It'll be great if I had him for tutorials though
